Furnace Creek Ranch

PHOTOGRAPHY & CRAFTS SHOW

November 9th-12th, 2011

The Photo and Crafts show, for the past ten years, has been providing a venue for those budding and professional artists that specialize in the Photographic and Crafts Arts. All these shows have been strongly supported by specialists that desired to proudly show their artistic skills and the results of their exceptional labors. For an example, at the 2009 Encampment, the “Best of Show” winner in the PHOTO Division was a seemingly simple picture of a coyote that was lingering by the Furnace Creek golf course tule pond. This was number one out of 25 competing entries! And in the CRAFTS Division, for the same year, the “Best of Show” entry was a magnificent pair of cowboy “Wooly Chaps” that were of exceptional beauty and quality.

What it takes is a little personal zeal to show ones “Fruit of the Loom” artistic creations to participate in this activity at the Annual Death Valley 49er Encampment for 2011!!

The Classes, for each show, are:

- PHOTO SHOW – B & W, Color, Collage, 4” x 6” and Open.
- CRAFTS SHOW – Needlecraft, Quilting, Woodcraft, Leathercraft, Gourds, Lapidary and Open.
